FOR CANDIDATES

Your benefits

Prepared for candidates considering Janus Soft. This is the 2026–27 benefits program that sits with an offer: coverage, time away, retirement, pay, and the allowances beside salary. Every figure is the term in the company summary.

100%	Unlimited	10%	$10,000
Employee health premium	Paid time off	401(k) match	Referral bonus

The section that follows states the term. This guide does not add coverage beyond the summary.

01 · Care

Medical, dental, and vision

The company pays the full premium for the employee and shares the cost for family members.

– Janus Soft pays 100% of the premium for the employee, and a generous contribution for other family members, for health, dental, and vision insurance.

– Coverage is effective the first of the next month from the date of hire.

Coverage	Employee contribution	Employer contribution	Effective date
Employee only	0%	100%	1st of the month after the date of hire
Spouse and children	50%	50%	1st of the month after the date of hire

02 · Time

Paid time off

Time away is part of the offer, not a balance you have to earn week by week.

– Unlimited paid time off, subject to meeting the minimum work-hours requirement.

03 · Future

Retirement

The 401(k) is a safe-harbor plan, and the match follows the employee's own contribution.

- Janus Soft offers a 401(k) plan through safe harbor.
- The company matches 10% of the employee contribution.
- The company pays dollar for dollar up to 10% of the employee contribution.

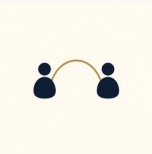

04 · Pay

Compensation

Pay is meant to compete, and extra recognition does not wait for a review cycle.

- Highly competitive salary. Janus Soft Inc. pays its employees top dollars and pays one of the best salaries.
- Annual and spot bonus. Spot bonuses are based on feedback from the employee's supervisor.
- Employee referral bonus.
- Employee performance incentives.

05 · People

Employee referral

Introducing someone who is hired is paid as a real bonus, not a token.

- Janus Soft pays a referral bonus of up to $10,000.00, spread over three months, for each successfully hired employee, for the life of that employment.

06 · Protection

Disability and life insurance

Income protection and life insurance are company-paid on the schedule below.

– Janus Soft offers short-term disability, long-term disability, and life insurance.

– The contribution schedule on file lists life insurance and short-term disability. Both are paid in full by the company.

Coverage	Employee contribution	Employer contribution	Effective date
Life insurance	0%	100%	1st of the month, 60 days after the date of hire
Short-term disability	0%	100%	1st of the month, 60 days after the date of hire

07 · Growth

Training and tuition

Skill-building and tuition have a set yearly allowance.

– Janus Soft reimburses up to $3,000.00 per year toward skills and tuition.

08 · Tools

Health and technology

A yearly allowance covers the tools and programs people actually use.

– Janus Soft reimburses up to $1,000.00 per calendar year for health and technology products and programs, including laptops, gym memberships, cell phones, and tablets.
